Register TunePat HBOMax Video Downloader for Mac

Step 1: Run TunePat HBOMax Video Downloader on your Mac, click the **Menu** button at the upper right corner of the interface and choose **“Register”** in the drop-down menu. Or you can directly click on key icon to open the registration window.

Step2: Copy and paste the **Registration Email** and **Code** you received into the registration popup window, then click **“Register”** button.

Step3: Once finished the registration process, the limitations of the trial version will be removed.

Tutorial of TunePat HBOMax Video Downloader for Mac

Tips:

1. Make sure your computer is well-connected with the Internet.
2. We suggest you should just copy & paste the registration information into the popup dialog.
3. Make sure both registration Email and Registration key are provided by our company after purchasing. If you have not paid, please click **"Buy Now"** to get a license.
4. Please make sure registration Email and Registration key you entered are both complete and correct, otherwise an error message will pop up as below:

The image shows a registration dialog box with a green header and a white body. The header contains the word "Registration" and a close button. The body contains a message: "Please enter your new license, [or buy a new one.](#)" Below this are two input fields: "E-Mail:" with an envelope icon and "Code:" with a key icon. At the bottom, there is a red warning message: "The registration information must be entered exactly as they appear in your confirmation email. Using the copy and paste method to enter the license is recommended." and two buttons: "Confirm" (green) and "Cancel" (white with green border).
