## Introduction

Thanks for using TunePat Netflix Video Downloader!

[TunePat Netflix Video Downloader](#) is a professional program designed for downloading Netflix movies and TV shows for offline playback. It has the ability to download Netflix videos in high quality and keep multi-language audio tracks and subtitles after downloading, providing you the same experience as viewing on Netflix. With TunePat, you can easily download movies and TV shows from Netflix and watch them offline at any time.

## Key Features

- Download movies and TV shows from Netflix.
- Support downloading the HD quality Netflix video.
- Keep audio tracks (including 5.1 audio and Dolby Atmos) and subtitles.
- Convert Netflix videos in MP4/MKV format.
- Save Netflix videos in batches at a fast speed
- No need to install the Netflix app.
- Free updates & technical support.

## System Requirements

### Windows:

- Windows 10 or later (32 bits or 64bits);
- 1GHz processor or above;
- 512 megabytes (MB) or higher of RAM;

## Tutorial of TunePat Netflix Video Downloader

### Purchase TunePat Netflix Video Downloader

To buy a license key for TunePat Netflix Video Downloader, click [here](#).

#### 1. Why should I buy TunePat Netflix Video Downloader?

The trial version of TunePat Netflix Video Downloader only enables users to download the first 5 minutes of each video. After you purchase the product, you will get the register email and register code to unlock the limitations.

#### 2. What benefits do I have after registration?

- Unlimited use during the subscription period without any function restrictions.
- FREE upgrades to the latest versions of the same product.
- FREE technical support.

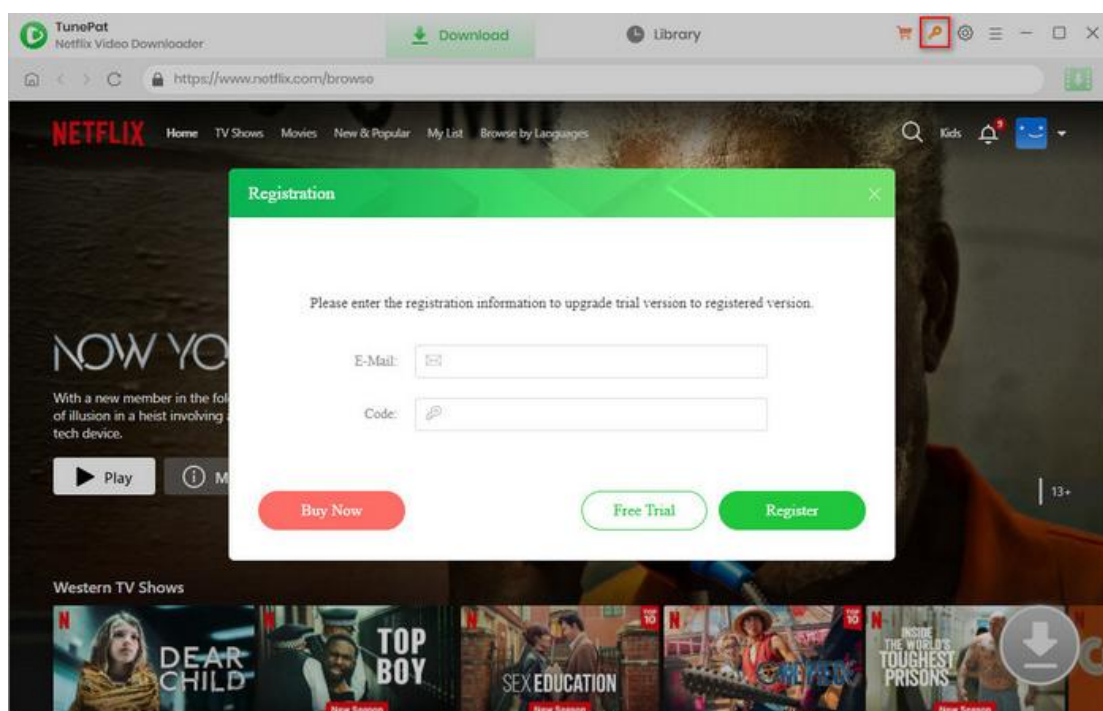

## Register TunePat Netflix Video Downloader

**Step 1:** Run TunePat Netflix Video Downloader on Windows PC or Mac, click the **Menu** button at the upper right corner of the interface and choose “**Register**” in the drop-down menu. Or you can directly click on  icon to open the registration window.

**Step 2:** Copy and paste the registration email and code you received into the registration popup window, then click “**Register**” button.

**Step 3:** Once finished the Registration process, the limitations of the trial version will be removed.

### Tips:

1. Make sure your computer is well-connected with the Internet.
2. We suggest you should just copy & paste the registration information into the popup dialog.
3. Make sure both registration email and registration key are provided by our company after purchasing. If you have not paid, please click “**Buy Now**” to get a license.

## Installation & Interface

- [Menu](#)

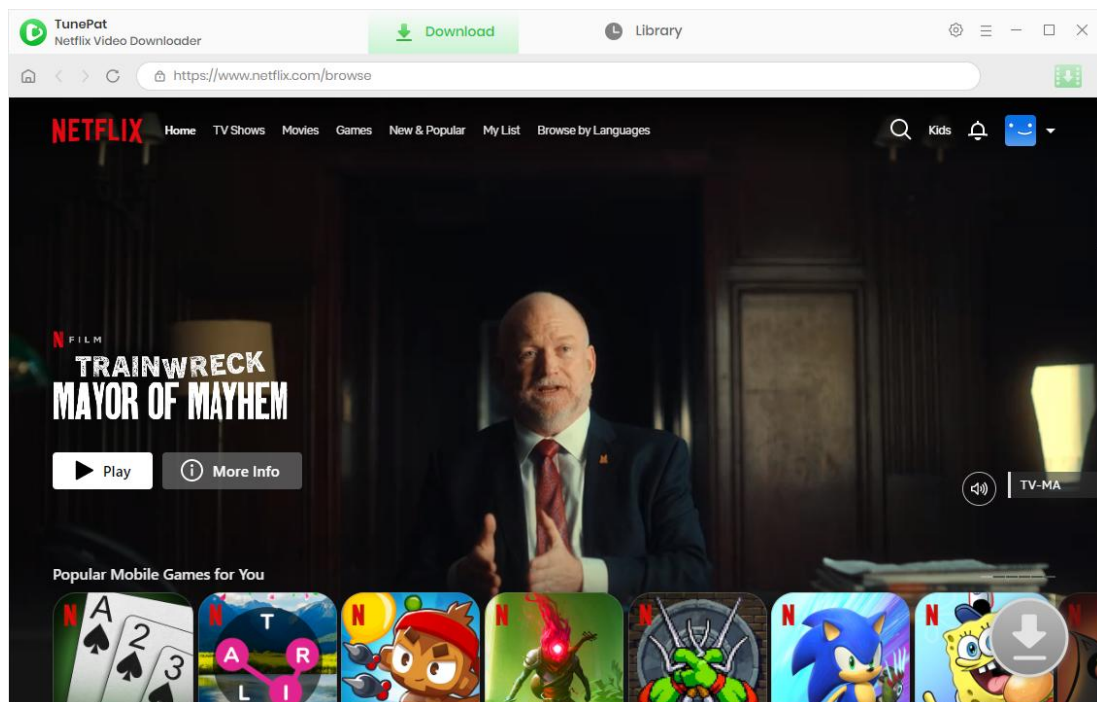

### Installation

To install this product, please refer to the following steps:

1. Download the latest version of TunePat Netflix Video Downloader through [Download Center](#).
2. Double click the "tunepat-netflix-video-downloader.exe(.zip)" file to accomplish a "single-click install".
3. After installing, you can double-click TunePat icon to launch the program.

### Main Interface

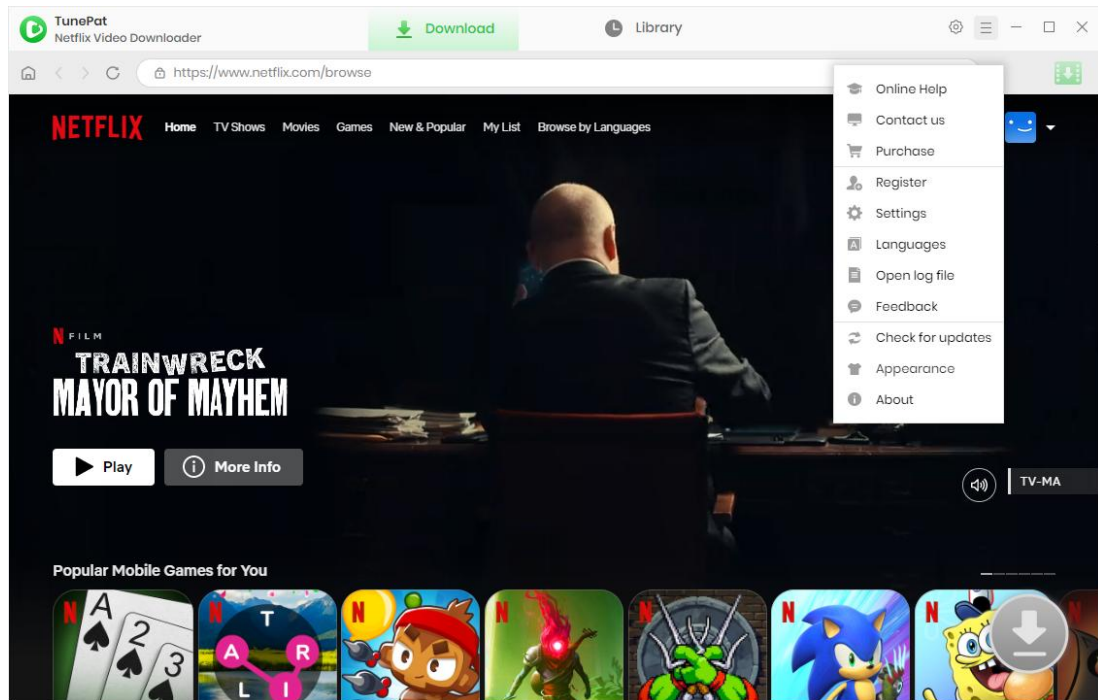

Run TunePat Netflix Video Downloader, you will see the simplified interface as below:

## Menu

Click **Menu** button on the upper right corner of the main interface, you will see the drop-down list. Here you can choose to register the program, change the output settings, check for update when a new version is available, ask for online help when you have any problem with the program, etc.

- [Check Download History](#)

### Log in Netflix Account

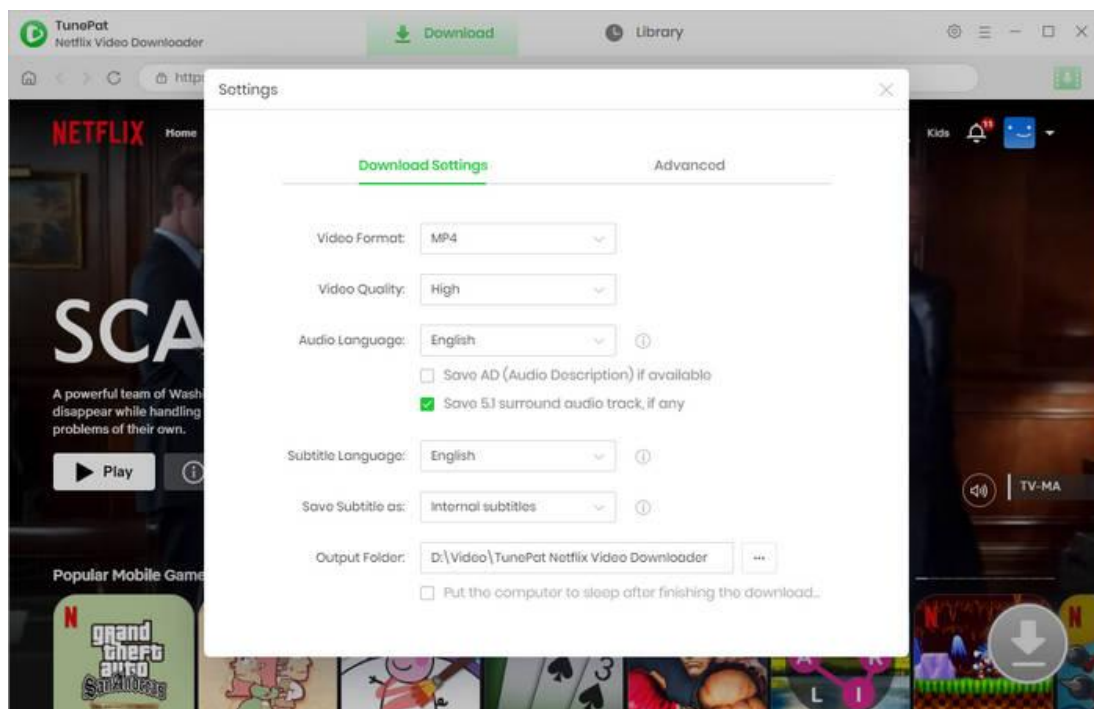

Run TunePat Netflix Video Downloader on Windows PC or Mac, click "**Sign In**" on the top right corner and log in to Netflix with your account.

## Customize Output Settings

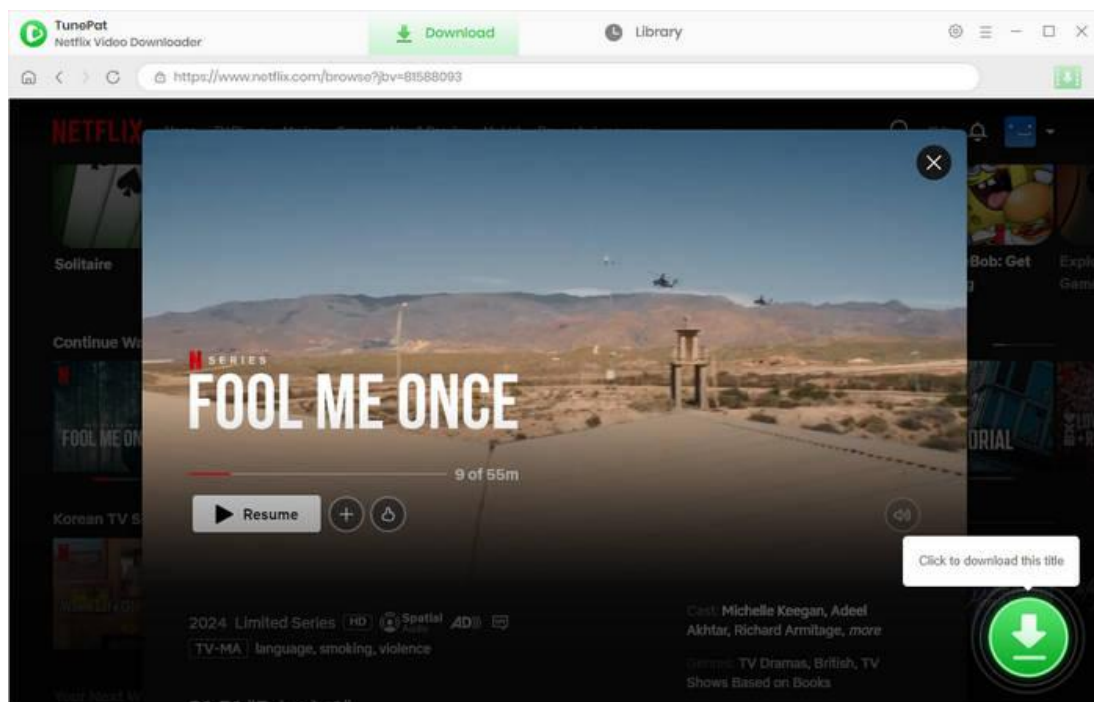

Click the **“Setting”** button on the upper right corner of the interface to customize the output settings. You can choose the video format (MP4 or MKV), video quality (Low, Medium, and High), the language of audio track and subtitle, the output path, and more.

## Add Netflix Video

Browse and find the movie or TV show you want to download, choose the video, and click the green download button on the bottom right corner.

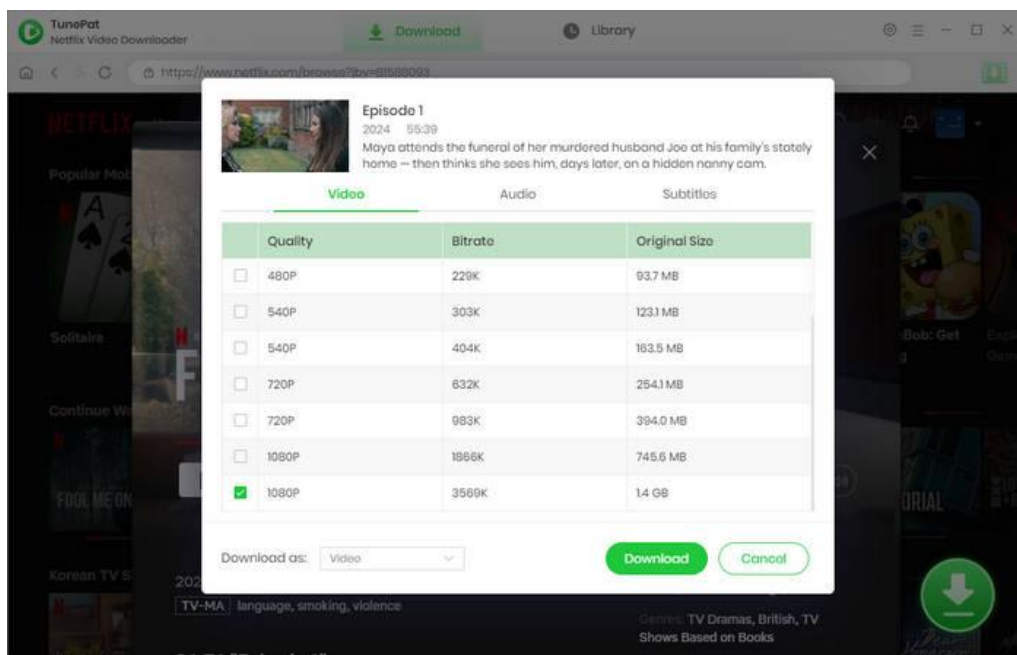

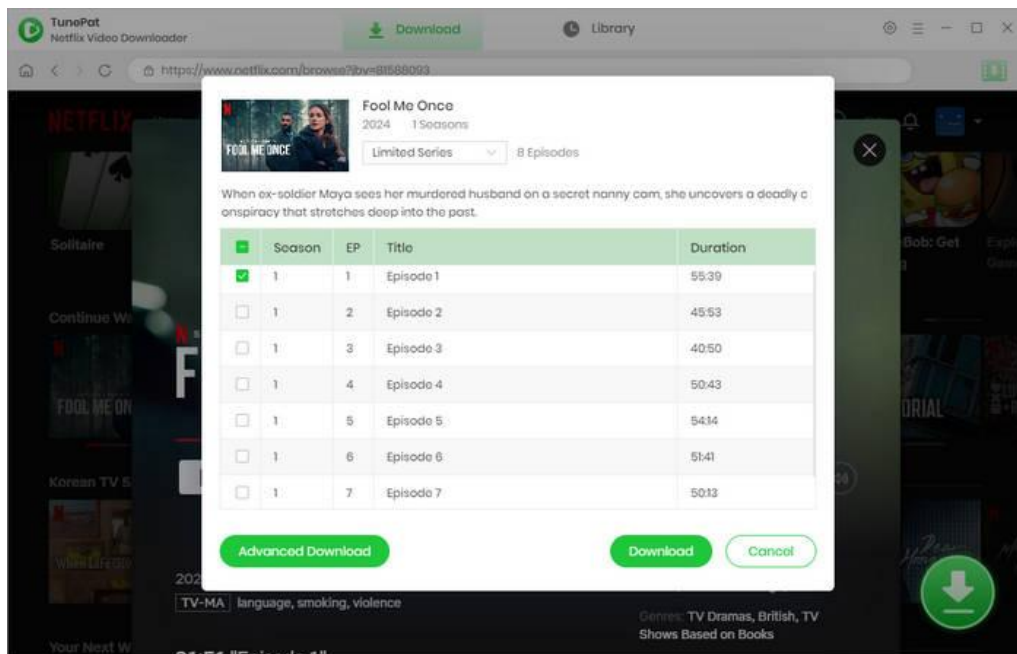

## Select Audio Tracks and Subtitles

Choose the advanced download settings, including video quality, audio tracks and subtitles.

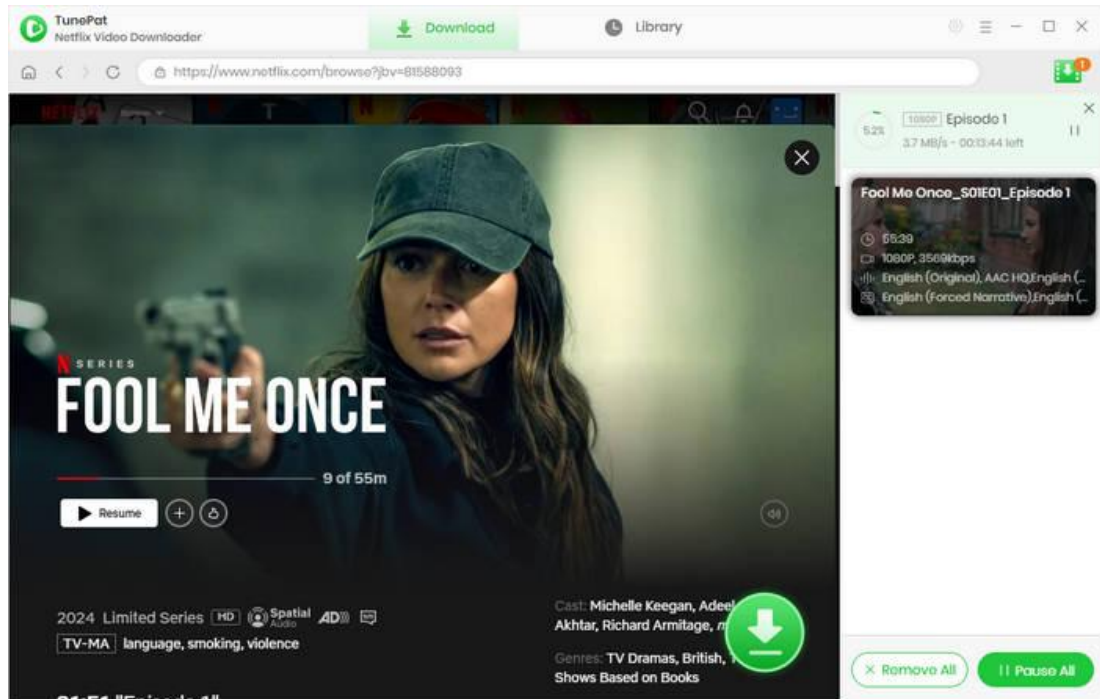

If you choose a movie, you will see the advanced download settings window as below after clicking the download button. If you are downloading a TV show, you need to choose episodes first, and then click the **"Advanced Download"** button to open the window.

## Download Netflix Video

Click on the **"Download"** button to start downloading the video in the output quality of your choice. It will be downloaded in a few minutes. If you want to continue adding new titles to the download queue, just repeat the above steps.

## Check Download History

After downloading, you can check what you have downloaded by clicking "**Library**" tab. Here you can find the record of all video files.
