Purchase TunePat Netflix Video Downloader for Mac

Tips: To buy a license key for TunePat Netflix Video Downloader for Mac, click [Here](#).

1. Why should I buy TunePat Netflix Video Downloader for Mac?

The trial version of TunePat Netflix Video Downloader has the same features as the registered version, but it only enables you to download the first 5 minutes of each video. After you purchase the product, you will get the Register Email and Register Code to unlock the limitation.

2. What Benefits do we have after Registration?

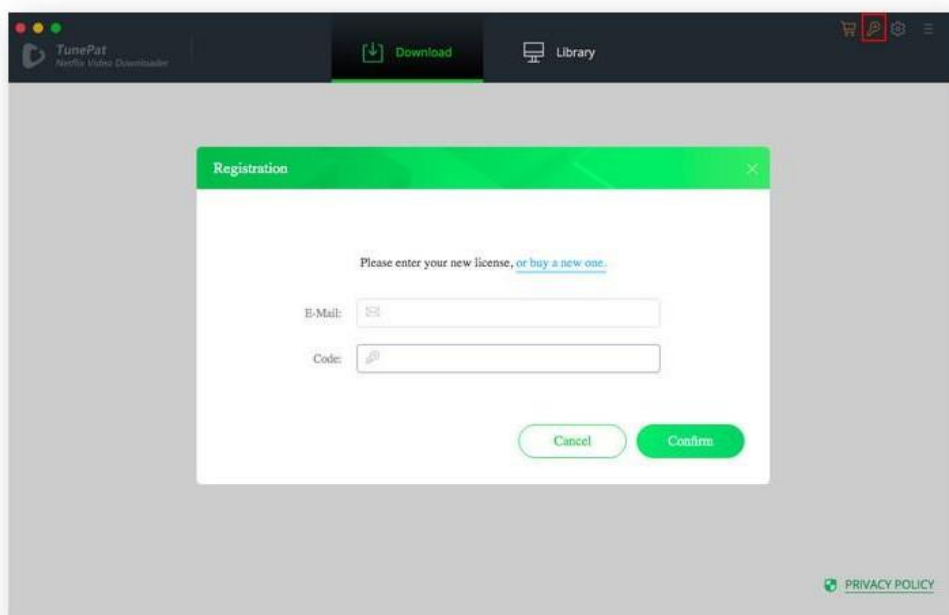

- Unlimited use without any function restrictions.
- FREE upgrades to the latest versions of the same product.
- FREE technical support.

Register TunePat Netflix Video Downloader for Mac

Step 1: Run TunePat Netflix Video Downloader on Mac, click the **Menu** button at the upper right corner of the interface and choose “**Register**” in the drop-down menu. Or you can directly click on  icon to open the registration window.

Tips:

1. Make sure your computer is well-connected with the Internet.
2. We suggest you should just copy & paste the Registration information into the popup dialog.
3. Make sure both Registration Email and Registration key are provided by our company after purchasing. If you have not paid, please click **"Buy Now"** to get a license.
4. Please make sure Registration Email and Registration key you entered are both complete and correct, otherwise an error message will pop up as below:

A screenshot of a registration dialog box. The title bar is green and says "Registration" with a close button. The main area is white and contains the text: "Please enter the registration information to upgrade trial version to registered version." Below this are two input fields: "E-Mail:" with an envelope icon and "Code:" with a key icon. At the bottom, there are three buttons: "Buy Now" (red), "Free Trial" (green), and "Register" (green). A small note at the bottom reads: "The registration information must be entered exactly as they appear in your confirmation email. Using the copy and paste method to enter the license is recommended."

Registration

Please enter the registration information to upgrade trial version to registered version.
