### Introduction

Thanks for using TunePat ParamountPlus Video Downloader for Windows!

[TunePat ParamountPlus Video Downloader for Windows](#) is a trustworthy video downloader that can download any movies or TV shows from Paramount Plus. TunePat ParamountPlus Video Downloader can directly download videos from the web player without installing the Paramount Plus app and save the downloaded files in MP4 or MKV format on any device. Furthermore, it can download multilingual audio tracks and subtitles, as well as save Paramount+ videos in High, Medium, or Low quality, depending on your needs.

TunePat ParamountPlus Video Downloader works well with Windows 7/8/8.1/10/11 and has a simple and user-friendly interface. TunePat, which has a built-in Paramount Plus web player, allows you to quickly find the needed titles by browsing the library. The program's fast download speed is another highlight, and the "batch download" allows you to download all episodes of a TV season with one click.

### Key Features

- Download Paramount+ movies and shows in fully 1080p.
- Support downloading the HD quality videos.
- Keep multilingual audio tracks (including 5.1 audio) and subtitles.
- Download Paramount+ video in MP4/MKV format.
- Download Paramount+ video at fast speed.
- Browse and find Paramount+ video with the embedded web player.
- Free technical support and software upgrades.
- No need to install the Paramount+ app.

## System Requirements

- Windows 7, 8, 8.1, 10, 11 (32 bits or 64bits);
- 1GHz processor or above;
- 512 megabytes (MB) or higher of RAM;
- 1GB of available hard-disk space or higher;
- 1024\*768 resolution display or higher Monitor.

## Purchase & Registration

### Purchase TunePat ParamountPlus Video Downloader for Windows

**Tips:** To buy a license key for TunePat ParamountPlus Video Downloader for Windows, click [Here](#).

#### 1. Why should I buy TunePat ParamountPlus Video Downloader for Windows?

The trial version of TunePat ParamountPlus Video Downloader enables users to download only the first 5 minutes of each video. After you purchase the product, you will get the Register Email and Register Code to unlock the limitations so that you can download the whole content of your favorite Paramount+ videos.

#### 2. What Benefits do we have after Registration?

- Unlimited use during the subscription period without any function restrictions.
- FREE upgrades to the latest versions of the same product.
- FREE technical support.

### Register TunePat ParamountPlus Video Downloader for Windows

**Step 1:** Start TunePat ParamountPlus Video Downloader on your Windows PC, click the **Menu** button at the upper right corner of the interface and choose “**Register**” in the drop-down menu. Likewise, you can activate the registration window by directly clicking on the key icon.

## Tutorial of TunePat ParamountPlus Video Downloader for Windows

**Step2:** Copy and paste your **Registration Email** and **Code** you received into the registration popup window, then click **"Register"** button.

**Step3:** Once the Registration process is finished, the limitations of the trial version will be all removed.

### Tips:

1. Make sure your computer is well-connected with the Internet.
2. We suggest you should just copy & paste the registration information into the popup dialog.
3. Make sure both Registration Email and Registration key are provided by our company after purchasing. If you have not paid, please click "**Buy Now**" to get a license.
4. Please make sure Registration Email and Registration key you entered are both complete and correct, otherwise an error message will pop up as below:

The image shows a registration dialog box with a green header and a white body. The header contains the word "Registration" and a close button (X). The body contains the following text and fields:

Please enter your new license, [or buy a new one.](#)

E-Mail:

Code:

The registration information must be entered exactly as they appear in your confirmation email. Using the copy and paste method to enter the license is recommended.

Buttons: Confirm, Cancel

## Installation & Interface
